OFFICE OF PETITIONS

ON PETITION

In re Application of
Kurt L. Brillhart et al.
Application No. 10/010,005
Filed: December 7, 2001
Attorney Docket No. 2036-039

This is a decision on the petition under 37 CFR 1.137(b), filed December 4, 2003, to revive the above-identified application.

The petition is granted.

The above-identified application became abandoned for failure to reply in a timely manner in reply to the non-final Office action mailed February 26, 2003, which set a shortened statutory period for reply of three months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on May 27, 2003.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed to the address of currently of record until such time as appropriate instructions are received to the contrary.

The application file is being forwarded to Technology Center AU 1641 for further processing.

Telephone inquiries concerning this decision should be directed to Latrice Bond at (703) 308-6911.

A handwritten signature in cursive script that reads "Latrice Bond". The signature is written in dark ink and is positioned above the printed name and title.
